Dear

Congratulations, your organization has chosen to provide you with a MasterCard® account. The MasterCard program is a powerful tool that enables accountholders to work more effectively and efficiently. Per your organization's request, a plastic card will not be issued for this account. The account number, expiration date and Card Validation Code (CVC2) are shown below. The CVC2 is a fraud prevention tool provided by MasterCard that offers an added security feature to your commercial card and may be required for card-not-present transactions. Your CVC2 is unique to your individual account and we do not keep a copy so please safeguard and retain this valuable information for future reference. Important Note: This is the only document that contains this account's CVC2.
